I. INTRODUCTION

The Valencia Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the Town Council on September 13, 2013 to finance certain public improvement projects for the benefit of the property in the PID.

On February 21, 2014, the Town of Little Elm (the “Town”) approved the issuance of the Town of Little Elm Texas Special Assessment Revenue Bonds, Series 2014 (Valencia Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$4,000,000, and the Town of Little Elm, Texas Special Assessment Revenue Bonds, Series 2014 (Valencia Public Improvement District Phases #2-5 Major Improvement Project) (the “Phases #2-5 Bonds”) in the aggregate principal amount of \$12,240,000. The Phase #1 Bonds and Phases #2-5 Bonds were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of \$3,435,000 and, reimbursement obligations for the Phase #2 Reimbursement Agreement in the aggregate principal amount of \$11,220,000 are secured by Assessments.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the Town identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements.

On February 20, 2018, the Town approved the issuance of the Phase #1 Refunding and Improvement Bonds, the Improvement Area #2 Refunding and Improvement Bonds, and the Major Improvement Area Refunding Bonds. The Phase #1 Refunding and Improvement Bonds were issued to refund the Series 2014 Phase #1 Bonds and refinance the Phase #1 Reimbursement Agreement and are secured by the Phase #1 Assessments. The Improvement Area #2 Refunding and Improvement Bonds were issued to refund the pro rata portion of the Series 2014 Major Improvement Bonds relating to Improvement Area #2 and to refinance the pro rata portion of the Phase #2 Reimbursement Agreement relating to the Improvement Area #2 Local Improvements and are secured by the Improvement Area #2 Assessments. The Major Improvement Area Refunding Bonds were issued to refund the pro rata portion of the Series 2014 Major Improvement Bonds relating to Phase #2B, Improvement Area #3, and Phase #4 and are secured by the Assessments shown on the Major Improvement Area Assessment Roll.

On December 7, 2021, the Town approved the issuance of the Improvement Area #3 Bonds. The Improvement Area #3 Bonds were issued for the Phase #2B-1 Authorized Improvements and to replace the Phase #3B portion of the Phase #2 Reimbursement Agreement and are secured by the Assessments shown on the Improvement Area #3 Assessment Roll.

The Service and Assessment Plan was initially updated on June 6, 2017 for Phase #2, was updated again on February 20, 2018 for refunding and phased PID bond issuances and updated once more

on December 7, 2021 for Improvement Area #3 (collectively, the “Updated Service and Assessment Plan”) to incorporate the refunding and additional bond issuances described above. Pursuant to Chapter 372, Texas Local Government Code, the Updated Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Updated Service and Assessment Plan for 2025-26.

The Town also adopted the Phase #1 Assessment Roll, Major Improvement Area Assessment Roll, Improvement Area #2 Assessment Roll, and Improvement Area #3 Assessment Roll attached as Appendix D-1, Appendix E-1, Appendix F-1, and Appendix G, respectively, to the Updated Service and Assessment Plan, identifying the assessments on each parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2025-26.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through Town ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix H and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the Town approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller providing the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms used herein shall have the meanings specified in the Updated Service and Assessment Plan, unless defined otherwise in this update.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the Town Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed other than those described in the initial Annual Service Plan Update for 2016 approved on August 2, 2016 and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(the remainder of this page left intentionally blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel
- (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act;
- (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and
- (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The summary Assessment Rolls are shown in Appendix D-1, E-1, F-1 and G. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the Town Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Denton Central Appraisal District online records, Phase #2B-1 of the PID was subdivided in 2021 and the Assessments were allocated proportionally according to Lot Type. The various Phase #2B-1 Lots were officially recognized within the Denton County Appraisal District records for 2022.
